We offer a wide range of services

All prices quoted are for 14 days

Permits & valuations only **£360** (Cars & 4x4s)

Permits & valuations only **£260** (Motorbikes 250cc and above)

Permits & valuations only **£160** (Motorbikes 249cc and below)

All inclusive package deals – unbeatable prices

Please note there are no hidden costs not like other companies however prices may change slightly due to the rand value. All prices are quoted for 14 days.

RORO Service to Durban and PE standard size car, all inclusive = **£1720**

RORO Service to Durban and PE 4x4 or people carrier, all inclusive = **£1995**

For household removal prices please see the website.

Our Shipping includes the shipping, permits, valuations for customs, clearing costs and free expert advice on shipping and duty free.

Valuations

With the valuations we can save you money on duties by more than the cost of the permits, which makes our service worthwhile in the long run.

Clearing Service in Durban Only

Our clearing service is R5800 for a RORO vehicle, for a vehicle in a 20ft container with house hold affects the fee is R12800.00 Please note this fee is subject to change on a monthly basis.

Payment / Deposit

Please send payment with your forms.

**We only accept cheque payments, please make cheques payable to
Cars4africa.co.uk**

**We do not apply for the permits until a £360 deposit has been paid by cheque.
The full balance needs to be paid 7 days before departure date. Tessa will invoice you
for the balance.**

**If using our permit service only the full amount for the permits need to be paid before
we start..**

Collection of your car from Wimbledon

1. Collection from our yard costs £150, please let us know if you would like to use this service, alternatively you will need to book your vehicle in at Southampton Docks.

Please send the following documents with this form

1. Colour copy of V5 registration certificate for the vehicle (only page two with the vehicle details). If you have owned the car from new I will also need page one. For Japan imports I will also need page one. For Japan imports please make sure that the engine number and vehicle model is stated and correct, this causes major problems if incorrect or not present.
2. South African Citizens - Colour copy of S.A. passport / ID book (Only the photo page please), and colour copy of your British passport if you have one. For citizens with indefinite leave to remain please **do not** send us copies of the indefinite leave to remain stamp as we do not need this.
3. British Citizens- Colour copy of British passport (photo page only) and your South African permanent residency permit.
4. EEC Certificate. This only applies to cars manufactured from 1997 – 2004 that **do not** have E type approval number on the V5. Please check section (4)k (Type approval no.) on your logbook for this. To obtain the EEC you must contact the vehicle manufacturer head office not your local dealer.
5. Work Reference. This must prove that you have worked in the U.K. for the same period that you have owned your vehicle. If you changed employers you will need to get references from your old employer to. It must have the date you started work and the date you are ending your employment. The letter must also be dated with the date it is written. If it is missing one of these dates your application will be denied. It must also be on a company letter head.

E.G.

(Date the letter is written at the top of the letter)
10/02/2005 (1)

To whom it may concern

Joe Soap was employed by our company from 12/02/2002 (2) and will end his employment on the 31/12/09 (3) due to the fact that he is returning/relocating to South Africa. (That is all that is needed)

Name, signature and position held

It must have THREE dates (1)(2)(3).

Please note all documents sent to us must be in **COLOUR COPIES**.

To whom it may concern

I _____ hereby give cars4africa.co.uk the authority to apply
for the LOA and ITAC permits on my behalf.

Kindest Regards

_____ (name)

_____ (signature)

_____ (Date)
